What Would Happen If

Geraldine would miss a spelling word?
Willard got his Homework done?
Russell stopped listening to Cowboy songs?
The Seniors didn't graduate?
Donna Lenyo, Carol Haig, Gladys Matso would come to school on time?
Ronnie would type 20 words a minute?
Bernadette and Mary Ellen would get an "A" in Biology?
Ronald Ingram would ever stop reading?
Carol Schlesselman didn't get her homework done?
Marilyn Martin started taking Algebra?
The Typing Class wouldn't tease Esther in typing?
Renetta would get 30 words in typing some day?
Mary spent more time down town?
Ada went down town more often?

JOKES

What a Voice

Singer: Did you notice how my voice filled the hall last night?

Friend: Yes, I saw several people leaving to make room for it.

How True

Lady to Lady: Junior is eating salads now, pencils, Crayons, and Paper.

Bill Erne

What a Ham

Customer: Waiter are you sure this ham is cured.

Waiter: Yes, Sir.

Customer: Well from it's taste I think it had a relapse.

What a Nut

Fred: have a peanut

Ruth: no thanks there fattening

Ruth: I don't know why but I never saw an elephant eat anything else.

NOTICE TO THE PEOPLE OF THIS COMMUNITY!!!

Do not forget the boys of this community that are serving our country this Christmas. I am sure that they would be very glad to receive cards and letters from home. Here is a list of addresses.

Santa Claus
North Pole
America

NOTICE TO SANTA CLAUS!!!

As for you, dear old Santa, you are not to forget our boys either. Get out your little notebook and take a gander at the addresses on this page, also.

Any suggestions are welcome!

1st, 2nd, 3rd News

We are going to have a Christmas program here at school this year. We are having it at night so our fathers can come.

Vivian wants to report that we are having a little star dance and we have asked Karen Nieba and Bonita Beltz to dance, too.

The second grade are almost finished with their reader. They have another one to read and then they plan to read library books and make written reports like the larger children do.

We have read a funny story in grade one. It is about Mr. T. Turkey and how he wore Tom's cowboy hat. It is funny.

We are having quite a time in English in the Third Grade. We can't seem to find the end of sentences. We hope we catch on before test time.

Dear Santa Clause,

We have been good children most of the time. Joan wipes the dishes, Vivian keeps her clothes put away and Janet helps with dishes, too. Randy dries the dishes for Mother and Danny clears off the supper table and dusts, sometime. Jim does errands for his mother and Charles helps his daddy carry things.

"Please, Santa bring me a linenman's belt especially," says Danny. Joan wants a Bonnie Braid doll, Vivian wants a nurse set the most. Randy wants a log cabin like you see in catalogues that you can get in and Charles, too. Janet wants a doll in a buggy and Jim wants old Santa to bring him an army set with soldiers and machine guns. We plan to be real good until Christmas.

The First Grade

4th, 5th, 6th News

In arithmetic we are studying fractions. They are rather hard to do in the beginning, but they are getting easier.

In English we are learning many different things. The sixth graders are learning how to give reports, the fifth graders are learning how to use an index and the fourth graders are learning how to write interesting letters.

For reading we are using our geography books. The different classes are studying about Britain, the New England, states, and Alaska.

History brings to our minds the Chinese and the exploring of the United States.

Spelling is hard for some of us and we have to study more than the others, but we all have made the grade so far.

A Christmas party is being given Friday December 21, 1951, Chairman of the party is Marline McKillips. We have exchanged names for Christmas gifts.

Marline McKillips

Poems written by the fifth graders

Johnny Applesseed

A kettle for a hat,
Old bags for his wraps,
No shoes on his feet,
And so little to eat.
He was always happy and gay.
In his own little way,
Always doing kind deeds
That was Johnny Applesseed.

Jack Betzenheimer

Johnny Applesseed

Johnny planted apple seeds,
Every where he went.
He gave them to the people
That stopped at his fern.

Poems written by the
fifth graders can't

Johnny was a queer old man
Instead of a hat he wore a pan.
He was friendly with bears,
dogs and birds,
Everyone knew he was a grand
old man.

Robert Erne

Johnny Appleseed
What a queer sight to see
was Johnny Appleseed,
He would walk in bare feet
up the country and down the
street.

He wore a pot upon his head
It has been said,
He was kind to one and all
And heard his wolf call.

Anne Lange

7th and 8th News

We are getting ready for
our six weeks test which takes
place next week.

In science we have been
studying the different parts
of our body and how to take
care of ourselves. It is very
interesting and we enjoy it
very much.

For English we are read-
ing our Literature. Everyday
we have oral discussion.

We are learning new
words. This means we are
learning the pronunciation
and the meaning of these new
words. This takes place in
our reading class.

We are studying decimals
and fractions in arithmetic.
We like this subject very
much.

Geography takes our minds
back to the days when America
was first discovered. We are
studying about the way the

people lived, what they ate,
how they became friends with
the Indians, and the names of
many explorers.

Miss Barylski is teach-
ing, on her own time, Spanish
to some of the children who
wished to learn to speak
Spanish.

Rosemary Amstutz

9th and 10th News

In civics we have been
studying about our govern-
ments, national, state, and
local. We have also been stu-
dying the statistics of our
state and where important cit-
ies are located.

We've been studying about
conversation, discussion, in-
terviews, reciting and taking
examinations, letters, listen-
ing. We have also been read-
ing literature and spelling
for extra work. This is our
English class.

So far this year we have
learned quite a bit in biolo-
gy. We have studied repro-
duction, inheritance, fossils,
conservation, and our food
problem. Some people say that
all we do is sit and tell dir-
ty jokes in this class, but do
they know the meaning of
pseudopodium, paragonomus wes-
termanni, and shistitoma haemo-
tobium.

Geraldine Erne

11th and 12th News

In civics we are study-
ing about Ohio. We think we
should learn more about our
own state.

English Literature brings
to our minds some of the
greatest men in English Liter-
ature. Some of the men we
have read about are Chaucer,

11th and 12th News
con't

Shakespeare, Bacon, Milton, Spenser, and Jonson.

Bookkeeping? Yes, we are working like devils to get done this six weeks. Some are ahead and some are behind, but in one day we'll all be doing fine.

Mary Navorska went to Fremont with a girl from Huron and two fellows from Sandusky to represent Erie County at a conference. This conference was to see what different kinds of organizations they could get started in the different counties to prevent juvenile delinquency.

Renetta Erne

Algebra

To most of the students algebra is not an easy subject. Some like it and think it is fun and others do not like it. As we head towards the back of our books the problems keep getting harder and harder. Mr. Hilliard is teaching two classes, algebra one and advanced algebra.

Home Economics

The home economics class has turned out some very nice outfits. The girls are progressing and learning to sew very well. A few of the things that have been made are skirts, blouses, party dresses, knitted sweaters, crocheted potholders and many others.

Industrial Arts

The boys in Industrial Arts are progressing as much as any of the other students. There are quite a few projects

which are being worked on and some of them are finished already. Some of the projects are a bird house, shoe shine stand, small kitchen shelves, and a necktie rack.

Sports

The football season is just about over. We might have another game at Put-in-Bay, but as yet it is not official. Our football season has been a successful one and we have been well pleased with our coach, Mr. Hughes.

Some of the games that were played this season were with Birmingham, Put-in-Bay and Swanton.

Soon we will start basketball. We hope our basketball season is as successful as our football season has been.

HAPPY BIRTHDAY!!!

Mr. and Mrs. Victor McKillips and daughter Donna, spent the week end with his mother, Mrs. Allen McKillips.

Miss Jessica Riedy spent the week in Sandusky, Ohio with Mr. and Mrs. Victor McKillips.

Mr. Jeffrey Morris celebrated his fifth Birthday, December 2, with a Birthday party.

Mrs. Frank Haig and her mother, Mrs. Rose Lange are taking a vacation in Florida.

COMMUNITY CHRISTMAS
PROGRAM

Almost every active organization in the community is sponsoring an annual Christmas Party to be held in the Town Hall on the eve of December 16.

The entertainment begins at 5 o'clock P.M. with a pot luck supper for every one men, women and children. Each person should bring his own silverware. Each dish brought should be marked, preferably with adhesive tape bearing the name of the owner. Beverages will be furnished for the meal.

Following the pot luck, Santa will make his appearance with gift and candy for the children. Any child who expects a gift should be present to receive it, unless illness prevents his being there.

Lets everyone try to be present, and make this a real community Christmas. It's fun for all to get together. Remember the place and date, the Town Hall, Dec. 16, 5:00 P. M.

Three Cheers for the organizations who are making this possible.

Birthday Party
Celebrated

On Dec. 3, Mrs. Norris entertained in honor of her son, Jeffrey Jay's birthday. The table was beautifully decorated with a large white birthday cake and circus animals. Sleighs carrying candy canes and chocolate candies marched around the table.

The guests were Diane Hughes, Bernadette Erne, Theresa Betzenheimer, Pauline Schoewe, Marcia Riedy, Laurel and Edwin Riedy, Sharon and Kevin Kleba, John and Paul Hilliard.

NOTICE

If anyone wishes to subscribe to the Kelligan see one of the Seniors.

Kelleys Island
Ohio
Dec. 4, 1951

Dear Santa Claus,
I have been a very good girl. Everday I eat all of my dinner. Last year you weren't very nice to me. This year I want a tricycle so that I can ride to and from school.

Yours truly,
Miss Barylski

Kelleys Island
Ohio
Dec. 4, 1951

Dear Santa Claus,
Last year you weren't very nice. I didn't get that electric train that my boys asked for. As for you, ole Santa, this year I think you ought to bring to me some better pupils and some pupils that don't miss school so much. I am tired of using ink just to make a check mark.
Thanks ole pal.

Don't forget,
Mr. Hilliard

P.S. I live on Division Street.

Kelleys Island
Ohio
Dec. 4, 1951

Dear ole Santa,
I have been a very good boy. I haven't missed more than a day of school. Please bring to me a new pool que. Also when you leave the school building take the word 'ain't' along with you.

Sincerely yours,
Mr. Hughes

REPRINT

K. I. Ohio
Dec. 22, 1937

Dear Santa:-
I'm complaining about the kind of service I've be getting from you the last few years. It's a disgrace to the name of Claus. I study and carry wood and what do I get for it? A shirt that I was going to get anyhow and two pairs of stockings and a muffler. Disgraceful! Now, this year I want skates and lots of perfume and a radio. And if you don't come through doing business with you and no fooling.

Sincerely yours,
Nadine Brown
