## Kelley's Island Photo Contest

Grand prize: Saw-whet Owl at Scheele Preserve by Kim Bolden

### Janet Wermuth

The Kelley's Island Chamber of Commerce and *Kelley's Life* joined together in 2021 to sponsor the first Kelley's Island Photo Contest. Community members were invited to submit their photographs in four categories: landscape, wildlife, history, and Life on KI. There were 950 photographs entered into the contest.

A panel of four judges, Charles Herndon, Dawn Soldner, Kathey Phinney, and Dan Hazard, selected the juried prize winners. The community was then invited to select their top choices for the People's Choice winners; 3,000 people accepted the invitation and cast their votes!

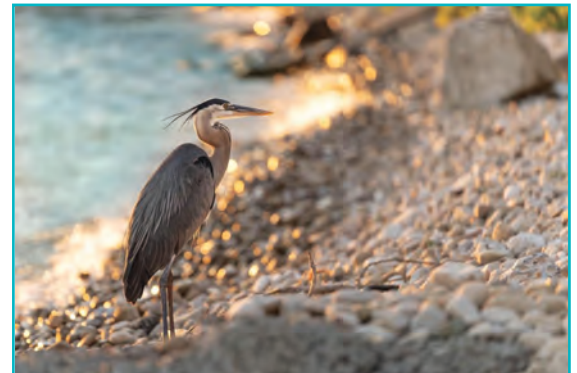

### JURIED PRIZE WINNERS:

- Grand Prize \$500 for Saw-whet Owl at the Scheele Preserve, photographer Kim Bolden
- Landscape \$100 prize for As Far As The Eye Can See, photographer Mary Ellen Coneglio
- Wildlife \$100 prize for Heron at Sunset, photographer Elizabeth Moore
- History \$100 prize for Reflection of Cemetery, photographer Lisa Platt

## Kelley's Island Make-A-Wish Swim and Golf Cart Poker Run

### Jeni Hammond

Records were set this year's for the Make-A-Wish Swim and Golf Cart Poker Run held on Saturday, July 31. We raised over \$23,000 to add to the swim monies. Thank you to everyone who participated in the event and donated; almost 500 poker hands were sold.

Many people helped organize the event and donated items for this event and all those in past years. We would like to thank our husbands (Paul & Mike), our children, the Kelley's Island Ferry Boat Line, the Paladino family, Seaway Marina, Do It Best in Mentor, Rocky Allen and Paige Maschari, Kelley's Island Wine Co. and Cantina, the Island Market, All Ports Yacht Club, George and Sharon Wilson, Barb Osterling, Chicklets Closet, Randy Hugg and WCPZ, plus all the businesses that donated both on and off the island. Special attention to Ryann and Colt Mielke for running this year's poker run with help from Janie and Sam Sharaba. We would like to thank everyone and if we missed your name, please forgive us.

Now for information on the main event! We swam from West Bay Inn to Portside Marina in two hours with light three-to-four-foot waves. We appreciate the crowd that came to cheer us on in support of our wish kids. Trinity got in and swam with us for the start of her wish to swim in all five great Lakes. Riley was told she will get the best hot tub ever, and she giggled with joy! As of now

Cindra and I have set another record. We turned over a check to Make-A-Wish for \$37,200.00. We are looking forward to year 28 in 2022.

God bless you all, Love Cindra and Jeni

## Kelleys Island Brew Pub Update

**Patti Johnson**

Wow! We experienced a summer like never before on Kelleys Island with golf cart rides, swims, porch visits, restaurant and picnic meals, trail walks, and ice cream. This place is just incredible. Thank you for your part in supporting this community and our village.

I think a lot of you who know me, may see that I am an outsider, and that isn't a character flaw or lack in any way, it is the way that I have made our life here, and enjoyed the relationships that we have been able to maintain through the years here since 1948. Our business life began with ice cream, transportation, and evolved into food, beer, and alcohol and now rentals. As I see what is unfolding on the Island, I am so fortunate that we were able to have a daily operation brewery at the time we were. We look forward to evolving our business as the years progress, maybe not in a growth and competition way, but in a cooperative sustainable way that the island and its residents need, and travelers can still enjoy.

Thank you for your past and present support of the Lakefront Cottage, Lakeview Apartments, and the Lake View Venue. The brewery maintains enough presence from the past to be able to fill growlers and cans for people that come here from all over to have an island made beer.

We have one more event this season - October 2, 2021 is **Breakfast Beer and Bloodys for Breast Cancer**. Come have a Kelleys Island breakfast from 9:00 a.m.-1:00 p.m. and some fun with Bingo at 10:30 a.m. followed by 12:30 and 1:30 p.m. prizes. Bid on local and sponsored merchandise and you can win cash at the Door! Honor your loved one with a \$10 or \$25 donation for the Ribbon Wall; include a picture of your honoree if you wish. We will be posting with the sponsors. And there is more! From 1-3 PM we need help to Drink our Inventory - \$2 Beers and drinks will flow.

Thank you for your help in making this event. We honor our women and our sisters, mothers, daughters that we hold in memory and in celebration. Come join us, won't you?

## Get Hooked on Our Looks for Fall!

**Janet Killam**

Let us help you create a fabulous, festive, fall "tablescape" with amber glass, copper mugs, pitchers, and trays on which to serve yummy, fresh, apple cider and donuts. We've got sparkly leaves and other fall items to charm up and serve on a rare, unique, really cool, 1930s midcentury modern dining table.

With fall and Halloween tablecloths, napkins, candle holders and votives, just think what you can do to welcome in the season.

Imagine owning autumn wreathes, wall hangings, vases, planters, and baskets to fill with whatever says "fall" to you.

Candelabras, whether spooky or fall festive are more treasures you'll find inside. You can festoon some of our creepier items such as our old wooden wall clock with anything you can imagine, found here at the shop. Remember, ALL proceeds go to the restoration of the Old Stone German Reformed Church and the Parsonage.

Donate your unneeded furniture, art, and household treasures by calling our numbers which are listed on the front and back doors of the Parsonage or by bringing them to the back porch of the Parsonage between our DAILY hours of 12 to 4. See you at the house!

## VFW Post 9908 Community Thank You

We the members of VFW Post 9908 would like to say "Thank you" to all our friends on Kelleys Island that made our Chicken Dinners a success this year. After 2020, it was great to see everyone come out, enjoy the event, and support the VFW! Also, we give a huge thank you to all the volunteers that make our dinners possible; without them, I don't know what we would do. The volunteers include Pat Seeholzer, Bernie Koshla, Donna Farmer, Karen Baker, Jim Erne, Sam Beatty,

Chuck Poston, Jon Chapman, Kelly Hebb, J.R. Biltz, Kathy Riddinger, Ann Burns, Karol Kucia, Anna Rafter, Ann Lorenz. If we left anyone out, we apologize! Also, thank you to Laura Jean who has always been a part of this through the years but took a break this year. We know you wanted to be there!

Our friends and volunteers on Kelleys are the ones that keep our club alive and well!!! Respectfully, VFW Post 9908

## KILA Korner

### Drew Algase, VP KILA

We wondered if summer would ever come. Now, it's almost over and we welcome the fall. KILA had a very good season highlighted by a great Homecoming celebration. We also donated 13 attractive trash containers to the Village. We had our annual meeting (President's message on our website [www.kila.rocks](http://www.kila.rocks)) and a Candidate's forum for the November election on September 18th with about 50 islanders attending the Forum.

Our October event is the KI Family Hallow-Ride Adventure! It is a year for trying new things. The last Family Hayride event at the 4-H Camp hosted 374 participants. That is a lot of people, children & adults, coming in and out of the camp's hall. So, this year we are spreading things out. The same fun components of games, crafts, hot dogs, marshmallows, and hay will all be there. The families will get to tour the Island to find them and win a chance at the Grand Prize.

A map with all the stops marked will be given to each family. Families will pick up the map in Downtown Memorial

Park any time after 12:00 noon on October 16. They will then travel all over the Island picking places on their maps to stop and be treated. A treat can be a game; a craft; or a bonfire with marshmallows. Some of the stops will have clues which will take the families to their final destination and a chance to win the Grand Prize. There is no charge for this event, but free will donations are gratefully accepted.

KILA needs volunteers to offer their Hallo Island yard and host one of the stops. We have some carnival games and supplies to help you, but you decide how you would like to have fun hosting one of the stops that day. This is a completely outdoor event. Please contact [info@kila.rocks](mailto:info@kila.rocks) to volunteer.

We welcome your support, volunteering, and suggestions for activities, projects, or initiatives to help KILA improve Kelleys Island via email to [info@kila.rocks](mailto:info@kila.rocks). Please consider joining, renewing membership, or donating to KILA on our website [www.KILA.rocks](http://www.KILA.rocks) or by mail to KILA at PO Box 22, Kelleys Island, OH.

Happiest of Octobers and Ghostly Halloweens to all!

## Chamber of Commerce Update

Jordan B. Killam, Director

It's September 12, 2021 and we've just had a whirlwind past two weekends! The Chamber hosted the very first Light Up KI (co-sponsored by Lake Erie Shores & Islands) event during Labor Day weekend. Residents, business owners, and boaters were invited to decorate their homes, businesses, and boats with lights. The illuminated decor was judged by Chamber board members and staff. Here are the winners:

- Grand Prize: 132 Melody Ln. (Delamater Family)
- 1st Runner Up: Parsonage Resale Shop
- 2nd Runner Up: 201 Divison St. (Kennedy/Kipfer Family)
- 3rd Runner Up: 119 Beach Rd. (Wilke Family)
- 4th Runner Up: 119 Melody Ln. (Leonard Family)
- Honorable Mention: Claudia Soranno (Best Boat decor)

Thank you so much to the Griffing Flying Service, TowBoatUS, Kelleys Island History Museum, The Caddy Shack, The Island House Restaurant, Janet and Steve Wermuth, the Monarch Winery & Butterfly Box, and the Kelley's Island Wine Company for donating prizes.

And then we had a busy Treasure Island Day on Saturday, September 11 with 28 sales locations on the map! For the first time ever, the Chamber had its own sale at our office, 117 Addison Street. We made over \$300 and were thrilled to be able to get rid of some stuff we've been holding onto through the years. Thanks to Cousino Restoration, our partner in sharing that event with you! They sponsored some of the costs for Treasure Island Day and provided logo items, beverages, and snacks. Thanks also to the Charles Herndon Galleries & Sculpture Garden for providing tasty lemonade, too!

We announced the winners of our photo contest (co-sponsored by *Kelleys Life Newspaper*) on September 11 during Treasure Island Day. You can read more about the contest in the Contest article in this issue of *Kelleys Life*.

What's coming up:

- October 2: Breakfast, Beer, and Bloodys for Breast Cancer @ Lake View Venue Rental
- October 2: Village Pump Alumni Party
- October 14 - November 22: Owl Banding
- October 16: Family Halloween (schedule to come, please check Chamber social media + website)
- October 23: Adult Halloween

In other news, I officially announced my resignation as Director of the Kelleys Island Chamber of Commerce, effective November 1, 2021. Since the transition of this position requires sharing and teaching institutional knowledge, I will stay on and help the organization transition. This means that I will complete my yearly tasks, but I will not be returning to the island to work in 2022. This is a decision at which I did not arrive easily, but it has been in the making for a long time.

When I began working for the KICC in 2018, my only goal was to raise our island's profile in the region and the country, drawing more attention to our events, attractions, business community, and world class natural areas for people to enjoy. I advised and stewarded a new build of *KelleysIslandChamber.com*, executed a regular and consistent social media strategy, and pitched stories to the media with frequency. I also networked with like organizations on other islands and on the mainland, took an active role in working with Lake Erie Shores & Islands to promote Kelleys by serving on its marketing board, and turned my focus to the bigger picture of what it means to live on islands by serving on the steering committee for the Great Lakes Islands Alliance. Additionally, I ran our Chamber office with care all year round, handling the questions of visitors, callers, and emailers alike with enthusiasm and sometimes even amusement (oh, the stories I could tell!)

However, what I'm most proud of is the impact my work has had on our community. New visitors are falling in love with Kelleys every year, making memories and filling our island with love. Business owners are thriving as they embrace increased foot traffic. More people than ever know what glacial grooves are, have been to the sculpture gardens, and have experienced our history museum. The tax revenue generated from this will go back to the community to improve our local infrastructure. I'm honored to have been a dutiful cog in the machine that makes this place work.

I'm deeply grateful for all the opportunities working with the KICC has afforded me. I have made many wonderful new friends and found thoughtful colleagues. Serving our members and working with the board and staff has been extremely rewarding and special; something I don't take for granted and will cherish forever.

Our board will continue our good work and recruit new staff to manage and run the operations of the Chamber.

# Zion Matters

**Pastor Virginia Park**

As summer draws to a close, tourism dwindles down a bit on Kelleys Island. In October, our vital Island and Zion Church continue a busy but different schedule.

I am writing on September 14 and the seasonal change in nature is already evident. I am just beginning to see the green foliage of trees everywhere changing to a lighter, more yellowed green. Garden plants are withering back. Golden rod plants are deeply in flower and have taken over the roadsides. Yesterday I saw the first flocks of migratory birds gathering together to make the trip south. Yes, the season is definitely a'changing and by the time you read this many more autumn changes will be apparent. It is truly a wonderful time to give thanks for the full summer season we have all experienced.

Once again this year, the annual community Thanksgiving observation and meal will not be held. This is, of course, because of the growing concern about recurring covid dangers

and restrictions.

Please mark your calendars now for Zion's Vacation Bible School next summer 2022. And let's pray that by then this pandemic scourge will be a thing of the past and we can go full speed ahead with the plans already being made. Dates of VBS will be July 18-23 and Vacation Bible School service will be July 24 during our regular Sunday worship service. All island children, their friends, and certainly children, grandchildren, relatives, and guests of islanders are welcome. Children ages 4-14 will be taught Bible stories and moral and ethical lessons of importance. Speak to Annalee or Sheri Fenton about any questions you may have about VBS.

The wonderful new building - a gathering hall - at St Michael's Church is a beautiful and highly useful addition to the St Michael's campus and to the Kelleys Island community. About 14 of our Zion church members attended Saturday mass at St. Michael's Church where Bishop Daniel Thomas (of the Toledo Diocese)

gave a wonderful homily and led the service. He was accompanied by a number of other clergy and also at the Blessing ceremony of the new building that followed.

After the Blessing service there was a reception and meal. During that time our Zion Church presented a gift of a large, commissioned painting of the St Michael's Church and new hall to the St Michael's congregation. Also present with us at that time was the artist, Dave Peltier, of Catawba island. Dave does portraiture, landscapes and buildings and this new painting is a masterpiece of architectural artistry.

Unveiling and presenting the painting from Zion Church was Tom Behlen, Zion's recording secretary. Receiving the painting on behalf of St. Michael's was Jim O'Donnell. Bishop Thomas and I also participated. Our church extends richest greetings to St. Michael's Church with blessings for wonderful use of their new hall and its grand facilities for many years to come. And we hope they enjoy the painting, too, as it finds a place in the

new hall.

Zion also extends our congratulations and blessings to Jim O'Donnell. Religious leader at St. Michael's and at the Catholic Church on Put-In-Bay, Jim (after Sept 18) will be DEACON Jim as he will be ordained by a Bishop on that day. Best wishes to Deacon Jim after the many required years of study. We look forward to seeing him on Kelleys Island in the years to come.

## Kelleys Island EMS Levy on November Ballot

### Russ Maust

On November 2, there will be an EMS levy on the Kelleys Island ballot. This tax levy is for general EMS operating expenses and consists of two parts:

a) the first part is a 0.87 mill renewal that WILL NOT increase your real estate taxes.

b) the second part is a 0.70 mill increase that will provide an additional \$60,000 of annual revenue for EMS.

According to Zillow, the average KI home value is \$283,000. For this home, the annual tax increase would be about \$70.00 or about \$1.35 per week.

Kelleys Island EMS has recently established a partnership with Cleveland MetroHealth. As a result, services are provided to the Island community that were not previously available such as telehealth Doc2Go and there is no required annual membership fee for the Cleveland MetroHealth emergency helicopter services. In just the first 8 months of our relationship with MetroHealth, the Kelleys Island EMS:

Received state-of-the-art medical supplies and equipment that get replenished by Cleveland Metro Health on an as needed basis at no cost to the Island.

Implemented a new and improved electronic patient care records system (ePCR). This allows for better documentation, population of data and quality/performance improvement for EMS incidents. This data is then reviewed by our medical director and team.

When EMS patients are flown off the Island by Cleveland Metro Health, and if medically and operationally capable, they are taken to the hospital

of their choice. This allows for better care and continuity of your medical records and provides outstanding service to the community of Kelleys Island.

Implemented the Northern Ohio Regional EMS Protocols and having monthly EMS continuing education trainings with record setting attendance.

Conducted an Emergency Medical Responder (EMR) Course on the Island for 10 resident Islanders.

Currently have our largest and most engaged group of public service professionals in Kelleys Island EMS history thru active recruitment and training.

Updated the Kelley's Island EMS station with improved medical equipment for in station treatment.

Began a collaboration with the Kelleys Island Fire Department. This is due largely in part to two factors:

1) The full-time EMS Director Russell Maust is now on both the Fire and EMS Departments.

2) There is now continuous communication between both departments along with joint trainings and fund raisers, resulting in improved service delivery.

A better, leaner, safer, and more effective emergency medical system now exists. As a result, the EMS Director, Metro Health EMS Coordinator, and Medical Director are available 24/7 allowing us to properly triage calls, provide treatment on scene via telehealth. In some cases, this will allow treatment to occur on the Island, thus preventing patients from being transported off the Island and accruing unnecessary medical expenses.
