Paper published monthly by the students of grades 5,6,7,and 8 of the Kelleys Island Local School,Kelleys Island, Ohio.

SCHOOL NEWS  
Room 1 (Grades 1-5)

The third grade class made a little town out of paper. They named their town Marysville.

The class has been taking daily exercises in the mornings. They each choose an exercise which they would like to do.

In art class they each made a crayon resist. They also work with clay, paint, and crayons.

In music class we are learning about the treble staff. We are learning the different sharps and flats along with the different keys of the major scales.

The first grade has been working hard on their reading and they are able to read around 150 words without too much trouble.

During the recess the class has been playing a game called "Teach me the United States." Since beginning to play this game, everyone is learning which states are in each section of the United States.

Mark Betzenheimer - 5

Mo: If two's a company and three's a crowd, what are four and five?  
 Jo: I don't know. What?  
 Mo: Nine.

Room 2 (Grades 5-8)

Our room has been developing old quarry pictures and other old pictures of Kelleys Island. We received the negatives from Mr. Hamilton.

We also had our pictures taken by Mr. Boker. We had seen them on slides and they turned out pretty good.

Our room is going to have an amateur hour in which all of us are taking a part. It should turn out to be very exciting.

We cleaned out our library, and took the useless books upstairs. It now looks very neat.

The eighth grade had brought in some feature articles from the newspaper about strange things about people and animals. They also had to make up some of their own feature stories.

Our grade 5 is going on a trip to Greenfield Village on the 30th of April. The village is 200 acres in area and has 100 historic buildings on it.

Among them are the Wright Bros. shop, the cycle shop, the homes of Luther Burbank, Noah Webster, Edison, McGuffe, and many others.

We sure hope they have a nice trip.

Al Goudreau - 8

High School News

Laurie Riedy is taking a correspondence course in music.

Jimmy Bugel is making a walker for his mother and a chair.

Michael Feyedelem and Ned Peruchon are making a couch.

Michael ordered a class ring. Ned and Jimmy ordered their commencement announcements for their upcoming graduation.

The high school celebrated Jim's birthday with a small party.

The high school boys are making a ping-pong table for the boys and girls in the school.

Linda Routly - 5

GIRL SCOUT NEWS

The Girl Scouts have completed their skirts and aprons.

We are now making sachets. Most of us are making hearts. others are making diamonds.

We are practicing songs for the P.T.A.

The Girl Scouts have been taking orders for Girl Scout cookies.

Alice Feyedelem - 7

CUB SCOUT NEWS

On Feb. 10 we made a picture of what we wanted to cut out of copper.

Richard made a sailboat, Jimmy made a car, and Mark made a rifle. Then the meeting was over.

On Feb. 17 there was no meeting.

On Feb. 24, we cut the copper pictures. Mark and John were not there, but Mark still brought the treat.

Richard Holmes - 5

ALUMNI NEWS

"Chuck" Riedy, '63, is on the Honor Roll again at Lorain County Community College (a liberal arts and technical college). Chuck is studying mechanical technology. He will graduate in June.

Billy Perruchon, '61, is now stationed at Fort Knox. He became a private last week.

"Micky" Riedy, '62, just completed her first year as an employee of Erie County. She works in the auto title department in the Court House.

\*\*\*\*\*

An education is what you have left after you've forgotten everything else.

\*\*\*\*\*

Be always as merry as you can, for no one delights in a sorrowful man.

ISLAND NEWS

Word has been received of the death of Mrs. William Horn of Cleveland, Ohio. Mrs. Horn had many friends on the Island. We express our sympathy.

Since the last issue, the Island had a couple of days of isolation. There was no air service due to snow and fog.

We express our appreciation to the village road crew for clearing the roads in good time for people to get out on the street during the day.

The Fire Department had a recent election of officers. They are Nick Bianchi, chief; Ronald Beaty, assistant chief; Harvey Einhart, secretary; and James Seeholzer, treasurer.

The firemen are cleaning and fixing up the old co-op building which might be used for storing of fire engines.

On Feb. 14 the Madonna Ladies Auxil ary had their annual Anniversary Dinner at Vi Haig's restaurant. The auxiliary members present were Mrs. James Seeholzer, Mrs. Franklin Pohorence, Mrs. Peter Kekelik, Mrs. Iola Riedy, Mrs. Joseph Feyedelem, Mrs. Leonard Knapp, Mrs. William Perruchon, Miss Mary Marchky, Mrs. Maude Hamilton, Mrs. George Yoscowitz, Rev. Gilbert Stopko, and Rev. Joseph Ehrbar.

After dinner was served,bingo games were played and gifts were exchanged among the ladies.

Brad Pohorence - 7

\*\*\*\*\*

Teacher: Mary, what would you do if a man-eating lion was chasing you?

Mary: Nothing. I'm a girl.

\*\*\*\*\*

Q. If kings like to sit on gold, who likes to sit on silver?

A. The Lone Ranger.

## VILLAGE COUNCIL NEWS

At the regular council meeting on March 4, 1965, Donald Routly took oath of office as a councilman.

Henry Beatty was absent due to illness.

The airport committee reported improvements are being made at the airport waiting room. All labor is being donated by various citizens.

An increase in wages was unanimously approved for the village working crew.

Barbara Knapp - 7

### DID YOU KNOW?

Did you know that the first white child born on the Island was a boy? That's right, George Ellithorpe was born October 6, 1832 to Mr. Henry Ellithorpe and his wife, Elizabeth.

The first school teacher on Kelleys Island was Miss Lucretia Wood who in 1836 taught ten pupils.

The first school house was erected in 1837. Miss M. H. Dean taught in it the first winter.

In 1850, District School No. 2 was established in the east end; it was on the Woodford Road not far from what was then J. Woodford's farm. Prior to 1850, the only school house was the one on Division Street. The little frame house was succeeded in 1853 by a large two-story stone building. This stone building is now owned by Mrs. Iola Riedy.

District No. 1 school was first taught by Mr. Wm. Hill in 1862. The graded system was started in 1865. The beginning of the Kelleys Island High School started in the basement of the Town Hall.

In 1877 a frame high school building was erected near Primary School No. 2 on Division Street.

In 1901, a new brick building was erected by James Estes, and has been used ever since.

## NOTICES

The juniors and seniors would again like to remind you about the WHITE ELEPHANT SALE. If you have any items cluttering up your attic, basement, or garage, -- and would like to be rid of them, please call the high school.

The date of the sale has been set for April 24. The place will be announced later.

\*\*\*\*\*

In the next issue of our paper we will feature a history of the quarrying industry on Kelleys Island.

Also, we will publish in our next issue the letters and comments we have received to that date in response to an Island Historical Society.

### The Crystal Ice World

Oh, once I had the chance to meet  
Upon a winter's morn,  
A lovely world of ice and snow,  
Like none I'd seen before.  
The trees were bent of burden,  
Like a weeping willow tree --  
All frothed on every bough you'd see.  
On grass and trees and meadow  
lanes  
It frothed and bubbled over.

Elizabeth Kilko - 8

John D. Rockefeller recalled that he was once whipped by his mother for "some unfortunate doings" in the village school. In the middle of his punishment he protested his innocence. "Never mind," said his mother grimly. "We have started in on this whipping, and we may as well proceed. It will do for the next time."
